KNITWEAR

Creative gilet

- ❖ Appearance: 50%
- ❖ Workmanship: 50%

Requirements

- ❖ A hip length, sleeveless creatively knitted gilet.
- ❖ 'Creative' in this instance means a gilet knitted in new and innovative ways.
- ❖ Article may not be older than two years.
- ❖ Yarn of any thickness and fibre, pattern stitches or any combination of pattern stitches as well as colour combinations can be used.

Tips

- ❖ There can be slits in the side seams and if the front and back parts are only joined on the shoulders, a suitable fastener will be needed on the sides.
- ❖ As gilets are always worn over another garment, the neckline must not be too high. It can have a suitable form of neckline.
- ❖ Guard against the use of too many different effects that may result in creating a confusing muddled up appearance.
- ❖ Tension will be important as yarns of different thickness and textures are used together with different pattern stitches.
- ❖ Plan and test every stitch carefully so that a neat and even tension can be maintained.
- ❖ Accessories and embroidery can be used sparingly but may not dominate the knitting.
- ❖ 'Creative' includes amongst others - stripes, crazy patch work, dots etc.

Presentation

- ❖ In a clear plastic bag marked as follows: KNITWEAR: your name, branch, area and province.
- ❖ Attached the card to the article with a crochet thread.
- ❖ Please do not use safety pins.
