

SAWAU 2027

MACHINE WORK

Stitch and Slash method

- ❖ Appearance: 50%
- ❖ Quality of work: 50%

Requirements

- ❖ Any complete article using the Stitch and Slash method can be submitted.
- ❖ The article will be judge as a unit and must comply with the correct machine construction methods.
- ❖ The Stitch and Slash technique must be the dominant feature of the article be it an article of clothing, a placemat or a handbag.

Hints

- ❖ Make use of durable fabrics for the background and bottom layers for the Stitch and Slash.
- ❖ Place two or more layers of fabric one over the other. Using shorter stitch lengths, stitch the layers together along the pattern lines.
- ❖ Cut or slash the top layers to get different effects and colour.
- ❖ Use a sharp pair of scissors and guard against cutting through the bottom layer.
- ❖ Complete the article using the correct construction methods.
- ❖ Trimmings are allowed but must not dominate the work.
- ❖ The article must be the participant's own, original work.
- ❖ The article may not be older than two years.

Presentation

- ❖ Present in a clear plastic bag marked as follows: MACHINE WORK, your name, branch, area and province.
- ❖ Attach the card to the article with crochet thread.
- ❖ Please do not use safety pins.
